

K&K INDUSTRIES, INC

K-LINE TIER FINISHING

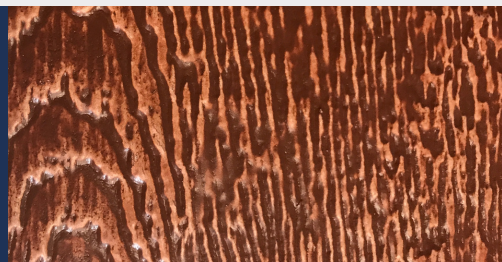

Platinum +

Three-step coating process that involves 3 different colors for a more in-depth, detailed, multi-tone finish.

Platinum

Two-step coating process that produces the standard multi-tone finish.

Gold

Two-step coating process of any solid color to give extreme durability.

Silver

One-step coating process of any solid color.

Primed

No finish. Factory applied primer overlay.

Our tier finishing varies in both pricing and durability to allow customization for any project. Whether interior or exterior, we have a finish for you!
